**SUPPLEMENT**

1. The firm of Thiel & Schuchardt in Ruhla, Thuringia, is manufacturing electric fuses for artillery shells. Four hundred workers are employed.
2. Another Ruhla firm, Gebrüder Thiel, employs 2,500 workers in the manufacture of machine tools, watches, and projectile fuses. The company has been converted into a Soviet state concern.
3. The firm of Gebrüder Demmer of Eisenach, Thuringia, employing 250 workers, constructs field kitchens for the Soviet forces.
4. The former Gustloff-Werke in Suhl, Thuringia, is manufacturing armaments, chiefly small arms of the most modern design. The plant employs two to three thousand workers.
